**EXHIBIT F**

Explanatory Notes

1. In our proposal of December 26, 2018, Estrella proposed a 20% discount on its attorney's rates and a 5% discount in paralegal rates. This leads to a reduction in our billing rate from \$350 to \$280/hr.; from \$325 to \$260; and so on across the board in our fee schedule.
2. In order to comply with the billing guidelines, we have divided certain entries to avoid block billing. However, these entries entail the review of GO Bonds Pro se Participation by individuals either notified to our Firm directly or filed with and entered with the docket by the Clerk of the Court. We are mindful of the unfairness of billing 0.1 entries for reviewing documents that contain 1 or 2 pages. Thus, we have joined these notices together so that these reflect the actual time spent in reading those notices.
3. Please note that Mr. Paul J. Hammer is no longer at our firm and Mr. Carlos Infante has been substituting him. The Firm will no longer submit any time for Mr. Hammer since he left the Firm on February 28, 2019.
4. On an entry by attorney Kenneth Suria on 05/07/2019 there was an extraordinary Adversary Proceeding with lengthy exhibits regarding avoidance claims against multiple defendants containing 1,570 pages. Reviewed all exhibits for compliance with local rules and translation requirements.
5. Attorney Yasthel Gonzalez was requested assistance due to amount of work on these matters.
6. Partner Luis M. Morera assisted on a task, but his participation was not billed.

**PRINCIPAL CERTIFICATION**

I hereby authorize the submission of this First Monthly Fee Statement for Estrella, LLC covering the period from May 1, 2019 through May 31, 2019.
